Services & Price List

Bespoke Design & Coordination

Our fee will be calculated as a percentage of your proposed budget. Please note our minimum fee is £2,100.

This is our most comprehensive service. We will be with you every step of the way to design, plan and coordinate your entire wedding. This can include creating and managing your budget and planning timeline, sourcing and coordinating your venue and suppliers, offering guidance on formalities and issues such as etiquette, managing your invitation and RSVP lists and coordinating your wedding on the day.

There is no charge for our initial consultation and we will meet at a time and place convenient to you to discuss your requirements and any initial ideas you may have. We will then send you a written proposal detailing our fee and what is included. Should you choose to accept our initial proposal and sign a contract, we will meet again to present a mood board of our ideas and to discuss your wishes in more detail. Through meetings and regular contact we will review your wedding plans on an ongoing basis.

On the Day Coordination - from £425

You may have already planned your wedding but feel that on the day you would like to pass the coordination over to someone else so you can have complete peace of mind that everything goes to plan. Our On the Day Coordination package offers you just this. Four weeks prior to your wedding we will meet with you to discuss the exact details of your day. We will then be onsite to make sure that the day runs seamlessly. This will include dealing with any minor hiccups and ensuring that your suppliers fulfill your instructions.

Venue Sourcing - from £175

Searching for the perfect venue for your wedding can be a very time consuming task. We can save you valuable time by sourcing a venue that matches your requirements. Based on a questionnaire which we will ask you to complete, we will provide a shortlist of venues which suit your style, budget and required capacity. We will send you a comprehensive report on each of our shortlisted venues, and for an extra fee can conduct a site visit with you.
